Dear Mrs [redacted]:

I have completed the Protective Services assessment of the Abuse allegation concerning [redacted] + [redacted] referred to our Department on 4-30-91. Child abuse has been unsubstantiated. Your case record has been closed in Protective Services.

Until we have an allegation from the girls & can talk to them ourselves to assess its validity, we cannot do more than unsubstantiate at this time. If Mr Levy feels that she gets a solid allegation in therapy, she will contact us.

If you have any questions regarding this letter, please call me. Thank you for your cooperation.

Sincerely,

Ann Marie [redacted] (CSW)
